### Townsend Club Activities

By Vernon F. Giddan  
A most enjoyable feature of our meeting last Friday evening was a splendid address by George Geiger of San Pedro, who with Mrs. Geiger and two friends, were our guests for the evening. Geiger, who is president of the 17th Congressional District Council, is an interesting and entertaining speaker and is always welcome at any club meeting.

The report is being circulated that the Torrance Townsend Club has been disbanded. Such report is absolutely without foundation. For the information of members and many friends we announce that the Torrance Club will function every Friday evening at the Torrance Men's Bible Class Building.

Friday evening, Nov. 29, under the direction of Mrs. Minnie Collier, the Keystone Young people's orchestra will furnish music for an old-time dance. A number of our members attended the Sunday afternoon meeting Nov. 24, at 7919 South Broadway and listened to a stirring address by W.H. Hoover

### Navy Now Recruiting Men Between 17 and 31

Word has been received at the Navy Recruiting office for this district that the Navy is accepting young men between the age of 17 to 31 for first enlistments. All those under 18 are required to serve only until their 21st birthday.

Due to the expansion of the United States Navy advancements are being made rapidly and it is an opportunity for young men who are anxious to learn a trade.

Those desiring information should contact the Recruiting office which is located in room 702 of the Long Beach Post Office building.

of Los Angeles in which he expressed confidence in the success of the Townsend Plan and urged all members to bend every effort to that end.

Our Club mourns the loss of a staunch member in the passing of Mrs. Allie Tolson. She will long be remembered for her interest and cheery personality. We shall miss her sorely.

### Episcopal Men's Club to See Football Films

Members of the Episcopal Men's Club will see football films at their dinner meeting Tuesday, Dec. 3, according to Hugh Sherry, chairman. Included among the games to be shown will be the 1940 Rose Bowl game.

The films will be shown thru the courtesy of the Associated Oil Co. Members of the senior Boys' class and Altar Boys will be guests of the club.

### OBITUARY

MRS. FRANK ROBINSON... succumbed suddenly after a week's illness in Salt Lake City Nov. 17 at the age of 65 years. The funeral was held last Wednesday. In addition to her husband, Mrs. Robinson was survived by four sons, one of them being Herbert Robinson of 2553 Sonoma avenue; two daughters and many grandchildren. With her husband, Mrs. Robinson had visited her son and his family here last month. The Torrance Robinsons attended the funeral rites.

LOUIS ZAMPERINI... may exchange U. S. costumes

"The Flying Trojan" expects to really try some of this birdman stuff.

Louis Zamperini, noted Torrance high and U.S.C. miler, was the only one of a class of seven taking the exhaustive physical examination Tuesday for enlistment in the U. S. Air Cadet Corps in Los Angeles to successfully make the grade.

As result of his test, Zamperini is expected to be called into the Army Air Service within a few months. At the present time he is working as a dispatcher at the Lockheed Aircraft plant in Burbank, having recently been promoted from his spot-welding job.

He told friends here this week that he had received seven invitations to appear in eastern track meets next fall. He is not accepting any of them, preferring to join the Air Corps. However, if his plans to exchange his U. S. Olympic team garb (which he is wearing in the accompanying photo) for an Army airman's uniform are unsuccessful he probably will accept the bids and appear in mile runs under Lockheed sponsorship.

### Names of Non-Voters Being Removed Now From Co. Register

Names of every person in this community who did not, for any reason, vote at either the August primary or the November general election are being removed from the great register of the county by a staff of clerks in the office of Registrar of Voters W. M. Kerr.

The procedure is required by law after each general election. Kerr's staff this week was winding up the canvass of the votes cast at the November election, and preparing to make the required report to Secretary of State Paul Peck.

Count of absentee ballots showed that while President Roosevelt carried the county easily, Wendell Willkie received 14,897 absentee votes as against 11,869 for President Roosevelt.

About 50 persons are registering as voters, many of them for the first time, at Kerr's office at Broadway and Third streets. Most of the registrants are men, who indicated by their conversation that they intended to apply for jobs in plants where preference is given to voters of this county.

For kitchen use: Orange-squeezers, egg-slicers, egg-beaters or one of those new streamlined can openers—they're most welcome!

The Lesson-Sermon on Sunday in all Churches of Christ, Scientist, cites for its Golden Text this verse from Isaiah: "Look unto me, and be ye saved, all the ends of the earth; for I am God, and there is none else," and denounces ancient and modern necromancy, alias mesmerism and hypnotism.

A Scriptural selection in the Lesson text-book, "Science and Health" by Paul to the Ephesians: "Put on the whole armor of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; and your feet shod with the preparation of the gospel of peace; and take the helmet of salvation, and the sword of the Spirit, which is the word of God."

Passages from the Christian Science text-book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, state: "The weapons of bigotry, ignorance, envy, fall before an honest heart." "Christians must take up arms against error at home and abroad. They must grapple with sin in themselves and in others, and continue this warfare until they have finished their course."

Three out of five car owners in the United States have never owned a new car. The used car lot is their marketplace.

**PRICES vs. TAXES**  
The price of gasoline at the pump this year has averaged about 13 cents a gallon, exclusive of taxes, against almost 30 cents 20 years ago. Taxes now are averaging almost six cents a gallon against nine-one hundredths of a cent in 1920.
